Proposals for normalising relations between India and Pakistan

*35. SHRI G.Y. KRISHNAN:
SHRI KRISHNA KUMAR BIRLA:

Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) what are the details of proposals sent through non-papers (Informal documents) by Pakistan to India and by India to Pakistan with a view to resolving the bilateral outstanding issues;

(b) what is the reaction of India to Pakistani proposals and what is Pakistan's reaction to the Indian proposals;

(c) at what stage the matters stand at present;

(d) what further steps the Governments of India and Pakistan have taken or propose to take in resolving the outstanding issues, particularly the Kashmir issue; and

(e) what steps Government have so far taken to counteract the anti-India Pakistani propaganda, both in Pakistan and in foreign countries?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI DINESH SINGH): (a) to (d) On 18th January, 1994, Government of Pakistan handed over to the Government of India two non-papers. The paper on the Modalities for holding of plebiscite in Jammu & Kashmir refers to the various UN Security Council Resolutions on the J & K issue as a basis for a resolution of the Jammu & Kashmir issue. The second Pakistani non-paper calls upon India to fulfil certain pre-conditions, including the ground situation in Jammu & Kashmir and the level of deployment of Indian security forces; for the continuation of India-Pakistan dialogue.

Government have categorically stated that Jammu & Kashmir is an integral part of India and the question or the need for conducting plebiscite in any part of India, including in the State of Jammu & Kashmir, does not arise. As regards the second Pak non-paper, Government regret that Pakistan is attempting through this propaganda exercise to obfuscate the reality of the situation in Jammu & Kashmir where a climate of a violence is being generated by militants and foreign
